

# SPECIAL DARK

## *Munich Lager*

**D**unkel (German for “Dark”) is a specialty of Bavaria, Germany. It's origin dates back to the 14<sup>th</sup> century. It was perfected by monks of the local Benedictine monasteries and is renowned in Germany and beyond.

Dunkel is characterized by its smooth, full, malty flavour, mahogany brown colour and roast aroma with a hint of dark chocolate. Under the creamy mocha-coloured head beats a strong Munich heart of finest barley malt.

It is a soft and elegant lager, with a rich, mildly vanilla, nutty-sweet palate and a dry, rounded finish. Though it looks much like a British Dark Ale or Porter, but unlike these brews, Dunkel has a typically clean lager taste without any fruitiness at all. Cascade aroma hops adds a touch of West Coast magic to this magnificent decoction.
