

# Old Bavarian Lager

The perfect beer for the cold winter months and the festive season. The beer is massive in the glass, with a terrific deep amber frame and plenty of warming alcohol. The flavour is strongly malty and the rich aroma has notes of caramel, honey, and bread. Munich Malt is a kilned lager-style malt made from quality, two-row, German spring barley. It's stellar taste makes the Old Bavarian the mother of all winter beers.
